Dear Shareholder

Notice of 2024 Annual General Meeting

On behalf of the board of directors of Ithaca Energy plc (the “**Board**” or the “**Directors**”) (the “**Company**”), it gives me great pleasure to invite you to the 2024 Annual General Meeting (“**AGM**”) of the Company. The AGM will be held at P&J Live, East Burn Road, Aberdeen AB21 9FX at 2.00pm on 24 June 2024.

The formal notice of the meeting (the “**Notice of AGM**”) is set out on pages 5 to 6 of this document and details the resolutions on which shareholders are being asked to vote. An explanation of the business to be conducted at the meeting is set out below.

There have been a number of Board changes in recent months and it was announced on 2 April 2024 that John Mogford would be stepping down from the Board. Following the announcement on 16 May 2024, Zvika Zivlin was appointed as the new Senior Independent Director, with John stepping down with immediate effect. On behalf of the Directors, I would like to thank John for his considerable contribution to the Company since his appointment and welcome Zvika to the Board.

In accordance with the UK Corporate Governance Code, all members of the Board, other than Zvika Zivlin will stand for re-election. Zvika will stand for election as this is the first AGM following his appointment to the Board on 16 May 2024. The biographical details of each Director are given in Appendix 1 on pages 9 and 10 of this document and an overview of the skills and experience represented on the Board is provided on pages 93 to 95 of the 2023 Annual Report and Accounts (save in respect of Zvika Zivlin, who was appointed following publication of the Annual Report and Accounts) and available on the Company’s website.

Attendance at the AGM

We are looking forward to welcoming our shareholders at the AGM. Shareholders will be able to participate in the meeting by attending in person, where they will be able to vote on the resolutions and ask questions if they wish to do so.

Whilst all shareholders are entitled and welcome to attend and vote on all resolutions at the AGM, we would ask any shareholder who wishes to attend, to register their interest to do so by emailing the Company’s investor relations team at investors@ithacaenergy.com by 2.00pm on 20 June 2024. Shareholders are encouraged to submit questions they would like answered at the AGM by email to investors@ithacaenergy.com. Please note that questions should be received by the Company no later than 2.00pm on 20 June 2024. Questions may still be asked during the meeting by those attending. Where it is not possible to answer questions submitted prior to and during the meeting (for example, due to time constraints), the Board’s responses to questions will be published on our website as soon as is practicable after the AGM.

Appointing a proxy and voting

Your vote is important to the Company and the Board encourages all shareholders to exercise their right and vote either in person or by proxy. **Whether or not you intend to attend the AGM, we strongly encourage you to vote either by appointing the Chairman of the meeting or another duly nominated person as your proxy and giving your instructions on how you wish your appointed proxy to vote on the proposed resolutions.** Shareholders will find enclosed with this document a form of proxy for use at the AGM, which should be completed in accordance with the instructions printed thereon and returned to the Company’s registrar, Computershare Investor Services PLC, at The Pavilion, Bridgwater Road, Bristol BS99 6ZY, United Kingdom. Alternatively, shareholders may lodge their proxy forms electronically by visiting www.investorcentre.co.uk/eproxy. Where shareholders are CREST members, voting may be effected via the CREST electronic proxy appointment service. The proxy appointment (however submitted) must be received by 2.00pm on 20 June 2024, or in the event of an adjournment, not less than 48 hours before the stated time of the adjourned meeting (excluding any part of a day that is not a working day). Further information on how to appoint a proxy and submit your voting instructions are set out in the Notes to the Notice of AGM on pages 5 to 8 of this document.

Business of the AGM

Resolutions 1 to 15 are proposed as ordinary resolutions. The proposed ordinary resolutions will be passed if more than 50 per cent of the votes cast are in their favour. Resolutions 16 to 18 are proposed as special resolutions. The proposed special resolutions will be passed if at least 75 per cent of the votes cast are in their favour.

Resolutions 1 and 2 – Annual Report and Accounts and re-appointment of the auditors

Resolution 1 relates to the presentation of the financial statements for the financial year ended 31 December 2023 together with the Directors' and auditors' reports thereon. The audited financial statements for the financial year ended 31 December 2023 have previously been sent to shareholders electronically and are made available through the Company's Investor portal at <https://investors.ithacaenergy.com>.

Resolution 2 relates to the re-appointment of Deloitte LLP as auditors to the Company. Deloitte LLP have confirmed that they are willing to continue in office for a further year. The Board, on the recommendation of the Audit and Risk Committee, proposes that Deloitte LLP should be reappointed.

Resolution 3 – Remuneration of the auditors

Resolution 3 would give the Directors authority, in accordance with standard practice, to negotiate and agree the remuneration of the auditors. In practice, the Audit and Risk Committee will consider the audit fees and make a recommendation to the Board.

Resolutions 4 and 5 – Directors' remuneration

Resolution 4 invites shareholders to approve a new Directors' remuneration policy, which sets out the Company's forward-looking policy on Directors' remuneration and is subject to a binding shareholder vote. The policy describes the components of the Executive and Non-Executive Directors' remuneration. The Company may not make a remuneration payment or payment for loss of office to a person who is, is to be, or has been a Director of the Company unless that payment is consistent with the policy, or such payment has otherwise been approved by a shareholder resolution to amend the policy. The Directors are required to seek shareholder approval for the Company's remuneration policy at least every three years, except in the event that a change to the policy is proposed or the advisory vote on the Directors' annual remuneration report is not passed in any year subsequent to the approval of the policy, in which case an earlier vote would be required. Although shareholders voted on and approved the remuneration policy at last year's AGM, changes to the policy are now being proposed therefore a revised remuneration policy is being put before shareholders at the 2024 AGM.

Resolution 5 seeks shareholder approval for the 2024 Annual Remuneration Report.

Resolutions 6 to 14 – Election and Re-election of Directors

Resolutions 6 to 14 seek shareholder approval to re-elect Gilad Myerson, Iain Lewis, David Blackwood, Lynne Clow, Assaf Ginzburg, Deborah Gudgeon, Itshak Tshuva and Idan Wallace and to elect Zvika Zivlin, following his appointment on 16 May 2024, in each case, in accordance with the Articles of Association of the Company. The election and re-election of Directors, if approved, will take effect at the conclusion of the meeting. Please see their biographies at Appendix 1.

Resolution 15 – Authority to allot shares

Resolution 15 seeks shareholder approval to grant the Directors the authority to allot shares in the Company, or to grant rights to subscribe for or convert any securities into shares in the Company, pursuant to section 551 of the Companies Act 2006 ("**CA 2006**"):

- up to an aggregate nominal amount of £3,381,240.94, representing approximately one third of the issued ordinary share capital as at 22 May 2024; and
- up to an aggregate nominal amount of £6,762,481.88, being approximately two-thirds of the Company's issued ordinary share capital as at 22 May 2024, in connection with an offer by way of a rights issue. In line with the most recent guidance issued by the Investment Association, the authority contained in Resolution 15 (b) is limited to two-thirds of the Company's issued ordinary share capital. The Company does not hold any shares in treasury.

If approved, the authority shall, unless renewed, revoked or varied by the Company, expire on the date falling 15 months after the passing of the resolution or, if sooner, the conclusion of the next AGM of the Company after the passing of the resolution. The exception to this is that the Directors may allot shares or grant rights after the authority has expired in connection with an offer or agreement made or entered into before the authority expired.

Resolution 16 – Disapplication of pre-emption rights

Resolution 16 seeks to approve the disapplication of statutory pre-emption rights under the CA 2006 in respect of certain allotments of shares made under the authorities in Resolution 15, in accordance with the most recent Statement of Principles on Disapplying Pre-emption Rights published by the Pre-Emption Group in November 2022 (the "**PEG Statement of Principles 2022**") and in line with the guidance issued by the Investment Association.

The PEG Statement of Principles 2022 was aligned with the recommendations made in the UK Secondary Capital Raising Review commissioned by the Government. The PEG Statement of Principles 2022 allows companies to annually seek authority to issue equity securities for cash otherwise than in connection with a pre-emptive offer up to:

- (a) 10% of issued ordinary share capital on an unrestricted basis – i.e. whether or not in connection with an acquisition or specified capital investment;
- (b) an additional 10% of issued ordinary share capital, provided that it is intended to be used only in connection with the financing (or refinancing, if the authority is to be used within 12 months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding 12 month period and is disclosed in the announcement of the allotment; and
- (c) a follow-on offer to existing holders of ordinary shares that have not been allocated shares under an issue made under (a) or (b) above in accordance with the PEG Statement of Principles 2022.

Resolution 16, paragraph (a), would grant the Directors, subject to any arrangements that the Directors consider appropriate to deal with fractions and overseas requirements, the power to make allotments for cash on an unrestricted basis, including in connection with rights issues, open offers and any other pre-emptive issues.

Paragraph (b) would grant the Directors the power to make allotments for cash, up to a maximum nominal value of £1,014,372.28, representing approximately 10% of the Company's issued ordinary share capital as at 22 May 2024. Paragraph (c) would grant the Directors authority to make allotments for cash for up to a maximum nominal value of £1,014,372.28, representing approximately 10% of the Company's issued ordinary share capital as at 22 May 2024, to be used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the PEG Statement of Principles 2022.

Paragraph (d) would grant the Directors the power to make allotments for cash pursuant to the authority under paragraphs 16 (b) and/or 16 (c), in each case, up to a further 2% of the total issued share capital of the Company. The authority in paragraph (d) is to be used only as a follow-on offer in accordance with the PEG Statement of Principles 2022, without the ordinary shares first being offered to existing shareholders in proportion to their existing holdings. Accordingly, the maximum additional nominal amount that could be issued under paragraph 16 (d) (based on the authority under paragraph (b) and (c) being used in full) is £405,48.91 (representing approximately 4% of the issued capital of the Company as at 22 May 2024).

These authorities will expire on the date falling 15 months after the passing of the resolutions or, if sooner, the conclusion of the next AGM of the Company after the passing of the resolutions. The exception to this is that the Directors may allot equity securities after the authorities have expired in connection with an offer or agreement made or entered into before the authorities expired.

Resolution 17 – Authority to purchase own shares

Resolution 17 seeks shareholder authority to authorise the market purchase by the Company of a proportion of its issued ordinary share capital, subject to certain limits referred to below.

The Directors consider it prudent to be able to act at short notice if required. In considering the purchase of ordinary shares, the Directors will follow the procedures laid down in the CA 2006. The maximum price (excluding expenses) to be paid per ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the middle market quotations of an ordinary share of the company derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

The Directors have no present intention to exercise these powers but consider it desirable that they should have the flexibility to allot unissued shares, or grant rights to subscribe for shares, if circumstances arise where it may be advantageous for the Company to do so.

Resolution 18 – Notice period for general meetings other than the Annual General Meeting

Under the Companies (Shareholders' Rights) Regulations 2009, the notice period for general meetings has to be not less than 21 clear days unless shareholders approve a shorter period, which cannot be less than 14 clear days. Resolution 18 therefore seeks to allow the Company to call general meetings (other than an Annual General Meeting) on 14 clear days' notice provided that a means of electronic voting is made available to all shareholders for that meeting. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. Annual General Meetings of the Company will continue to be held on at least 21 clear days' notice. The approval will be effective until the conclusion of the Company's Annual General Meeting to be held in 2025, when it is intended that a similar resolution will be proposed.

Questions

If you have any questions regarding the business of the AGM and the resolutions, please contact the Company Secretary at investors@ithacaenergy.com in advance of the AGM.

Recommendation

The Directors consider that each of the proposed resolutions to be considered at the AGM are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company. The Directors unanimously recommend that you vote in favour of all the proposed resolutions.

Yours faithfully

Gilad Myerson
Executive Chairman
